

## 8TH SOUTHERN AFRICA REGIONAL CONFERENCE

14 - 17 NOVEMBER 2017

### REGIONAL CONFERENCE

Wednesday, 15 November

Time	Venue 1	Venue 2
09:00 - 10:00	Welcome & Keynote Address	
10:00 - 10:30	Tea/Coffee/Exhibition	
10:30 - 12:30	Challenges associated with the integration of Distributed Generation on Utility Networks	Technology solutions and innovations impacting on Transmission Design elements
12:30 - 13:30	Lunch / Exhibition	
13:30 - 15:00	System Reliability and Performance improvement measures in the Wires Business	Transmission System integration challenges
15:00 - 15:30	Tea/Coffee/Exhibition	
15:30 - 17:00	Measuring Transformer health – diagnostic tools and other measures	Planning for system resilience in Utilities
17:00 - 20:00	Welcome Cocktail Function and Exhibition Opening	

Thursday, 16 November

Time	Venue 1	Venue 2
08:00 - 10:00	Towards Universal Access in Africa. Creating a platform to accelerate electrification on our continent	Technology solutions and innovations impacting on Transmission Design elements
10:00 - 10:30	Tea/Coffee/Exhibition	
10:30 - 12:30	Integrating Network Planning Tools with Grid Code requirements	Materials and Asset management developments for the future in uncertain times
12:30 - 13:30	Lunch / Exhibition	
13:30 - 15:00	Challenges associated with the integration of Distributed Generation on Utility Networks	Generation innovation in changing times
15:00 - 15:30	Tea/Coffee/Exhibition	
15:30 - 17:00	Closing Ceremony
